

Unemployment Membership Program

The YMCA Mission is never in a
Recession...

The YMCA Board unanimously approved the creation and implementation of the YMCA Unemployment Membership program in 2009. YMCA members who had become unemployed in 2009 were given a three-month grace period on their YMCA membership. Community residents who were not YMCA members and who became unemployed in 2009 were given a one-month YMCA membership at no cost.

Although the recession that we saw in 2009 has bounced back there is still a need to help those that may have lost their job or to assist a family that is transitioning during a job loss.

The Norwich YMCA continues the Unemployment Membership Program today in conjunction with our YMCA Scholarship Program.

OUR CAUSE IS
STRENGTHENING
COMMUNITY.

Unemployment
Membership Program

68-70 North Broad Street
Norwich, NY 13815
607.336.YMCA (9622)

You are a part of the Norwich Family YMCA...
 It is the Vision of the YMCA to *build strong kids, strong families, and strong communities*, and for that reason we have created the Un-employment Membership Program to assist during difficult times. Throughout the year any individual/family can participate in our Open Doors Scholarship program to assist with membership and program fees. With the increase of unemployment in our communities, we need each other now more than ever. The YMCA feels that it is important to keep children involved in programs that promote character development, teamwork and friendships, but it is also important for adults to deal with the daily anxiety and stress associated with unemployment and job loss. We believe it is essential for us to stay connected with our group of friends at times when we need them most and remain associated with an environment that helps nourish the spirit, mind and body.

How it works...

Members and community members who have become unemployed will be given a three month adult or family membership to the Norwich Family YMCA. This is good once, then applicants will be introduced to our YMCA Open Doors Scholarship Program.

What you need to do...

Complete the application, provide proof of loss of employment (i.e. NYS Dept of Labor verification) and return to the Executive Director. Once your application materials are on file they will be reviewed and you will be contacted regarding your status. Approval in the program may require monthly re-verification and meetings with the Executive Director.

Today's Date: _____

PERSONAL INFORMATION
