Registration

In order to attend the YMCA Day Camp or Teen Camp programs, a registration packet must be completed and returned to the YMCA along with a camp registration fee. When this has been completed your child may then sign up for the days they will be attending. In addition to holding a spot for your child, a Camp Thompson gift will be given to each camper during their first week of camp. Parent Handbooks are available at the YMCA front desk.

We require all participants be registered prior to attending camp and that payments for camp must be received at least one business day before attending Day Camp or Teen Camp at Camp Thompson. If you need to make special arrangements please contact our Finance office prior to registration.
