Welcome to the Norwich YMCA Private Swim Lesson Program. We would like to make your lessons as enjoyable as possible. The following questions will help give our instructors a general idea of how and what to work on with your swimmer. Please be as honest and open as possible. The more information we have the more help we can provide.

1. What do you hope to accomplish during your lessons? Do you have a goal in mind?

2. Is there anything that you want your instructor to know about you? (Fears, insecurities of the water, etc.)

3. Is this your first time taking swim lessons or have you had them before? Tell us about your experiences with swim lessons, good, bad?

4. What made you decide to participate in private swim lessons?

5. If we can accommodate, would you prefer to have a male or female instructor?
