- All participants must check in at the front member service desk upon entering the building.
- Unvaccinated participants must be prepared to wear a mask once out of the water on deck and in the locker room.
- All participants must shower before entering the pool.
- All participants must shower after swimming.
- Street Shoes are NOT allowed on the pool deck.

Morning Water Fitness: Is a moderate to high level cardiovascular workout. This low impact workout is designed to work every muscle group. The water's buoyancy decrease stress on hips, knees, ankles and feet. Great workout for any age.

Evening Water Fitness: Slice it and dice it for maximal cardio intensity. This fast paced shallow water class combines a variety of fitness moves and equipment to work all muscle groups to provide strengthening and toning. A great class to burn those calories!

Water Arthritis: Classes follow the guidelines for the Arthritis Foundation, provide exercises for mobility, flexibility and stretching. These classes are designed for those with arthritis, MS and related conditions. Classes cover movements to strengthen posture, balance, core strengthening, range of motion, and flexibility.

Deep Water Workout: Is an advanced class that focuses on posture, coordination, and range of motion while strengthening the core. Swimming skills are not required, although comfort in the deep water is a must!

Praise in the Pool: Praise in the pool is water aerobic exercising to Christian music that utilizes all muscles in your body. The exercises can be easily modified by participants who may be physically challenged from injuries or surgeries. Great way to get back into exercising before going to regular gym classes.
