

2020-2021 OPEN DOORS CAMPAIGN

THANK YOU

It has truly been a privilege to serve as chairpersons of the 2020-2021 Annual Campaign and we are grateful to report continued strong support in spite of the fundraising challenges faced this past year.

We are excited to report that your individual donations including Memorial and "In honor of" gifts collectively raised \$99,065. The contributions received enable the YMCA to provide services to the families and children that need them the most but might not have the financial means on their own to take advantage of them. Thank you for your belief and support of the YMCA and its mission of creating a place for everyone in the community to belong, to improve themselves, learn healthy habits and build new friendships.

Even with a successful campaign the need does not recede, we are still facing many challenges and the programs offered by the YMCA are truly beneficial and enriching.

As we celebrate last year's success, preparations for the 2021-2022 Open Doors Annual Campaign are underway. We are excited to announce that Jim and Bonnie Currie has agreed to lead the next campaign and follow the successes of our past campaign leaders.

Again, thank you for your support and helping us ensure that the YMCA doors are OPEN for ALL.

Co-Chairs

Kurt and Mary Carol Edwards

Jim and Virginia Edwards

2020-2021 CAMPAIGN SNAPSHOT: All in for the YMCA, where **218** DONORS RAISED **\$99,065** to imagine all the possibilities at the Norwich YMCA.

During the calendar year of 2020, we experienced many challenges that we have never faced as an organization before. A global pandemic closed our doors for six months, New York State limited our reopening and occupancy to 33% for eleven months, and during this time we lost 2,000 members.

Limited staffing, adjusted hours and financial uncertainty provided a backdrop of the unknown. With the support of our community and membership we were able to create a plan that allowed us to continue providing essential childcare to countless families in need last year. We continue to partner with our friends with "Helping Hands" in supporting our community in need with food and household good donations.

This past year, we experienced an amazing amount of generosity, supporting our YMCA. Over 200 donors supported "The Open Doors Scholarship Campaign", many unrestricted donations, corporate donations supporting special events and programs, our spring "Send a kid to Camp" and the many in-kind donations directly benefitted us.

A very unique donation scenario occurred with the Norwich High School Class of 1960 decided to raise funds to benefit four selected local charities. The four community charities were Dollars for Scholars, the Norwich Food Bank (Roots and Wings), the relatively new Improve Norwich Now, and the YMCA Open Doors Scholarship campaign. Donations were generously given by many classmates from across the country. A total of \$10,180 was raised and was divided equally among the four charities resulting in \$2,545 gift going to each organization in memory of the Class.

Many have decided to use the Y Campaign as an opportunity to recognize, memorialize and honor their family and friends. This is evident within our year-end report that you are reading. The Class of 1960 gift and the many other names were recognized and were honored this year.

Thank you for your unwavering support and your willingness to support us during our most challenging time. Your generosity has allowed us to continue being a "hands on" engaging organization, while providing meaningful programs to our community.

With much Respect,

**Jamey Mullen
CEO, Norwich YMCA**
